

Freshfields Bruckhaus Deringer

# London weekend trip

18–19 November 2022

Discover the  
career you could  
have with Freshfields

Are you a Master 1 or Master 2 law student at a Belgian university, looking to start your legal career in Brussels?

At Freshfields Bruckhaus Deringer, a leading international law firm with global reach, there is a range of career and training opportunities on offer.

Apply now to join us for a weekend in London. We are offering Belgian law students a trip to London to find out what it's like to work for us. The two-day visit covers everything you need to know about the type of matters we work on, the clients we work with and the training we offer you in Brussels and internationally.

After visiting our Brussels office on Friday morning – where you will be joined by fellow law students and a team of Freshfields lawyers – you will travel to London where we will introduce you to our firm, our various practice groups and our team. This will be followed by dinner and, on Saturday, some informal activities.

We welcome applications from candidates with excellent language skills, high academic results and an interest in working for a large, international firm.

For more information, please contact Els De Troyer ([els.detroyer@freshfields.com](mailto:els.detroyer@freshfields.com)). To apply: send your CV, transcripts and a motivation letter, before 31 October 2022, via e-mail to: [Brusselsrecruitment@freshfields.com](mailto:Brusselsrecruitment@freshfields.com). All participants will need to ensure that they have a valid passport to enter the UK.
