

## LIME IS LOOKING FOR A NEW TEAM MEMBER!

### JUNIOR TEAM MEMBER

### CORPORATE & FINANCE

*Exciting work. Human hours. Solid compensation.*

*We might be the boutique firm that offers the right model for you*

#### OUR AMBITION

Offering outstanding legal services to our rightfully demanding clients in all the areas of corporate and financial law, with a collaborative and entrepreneurial approach.

#### WHO ARE WE?

LIME is a Brussels-based law firm specialized in corporate, corporate IT and financial law. Our practice notably covers national and multinational M&A transactions, venture capital and private equity, corporate reorganizations (mergers, demergers, etc.), structuring of regulated or private investment funds and vehicles, corporate IT and ESG matters, and, of course, all general corporate and financial law matters, including contentious aspects.

We are dedicated, enthusiast, ambitious, and we constantly strive to deliver the highest quality work, pragmatic solutions, value creating and superior service on every matter entrusted to us.

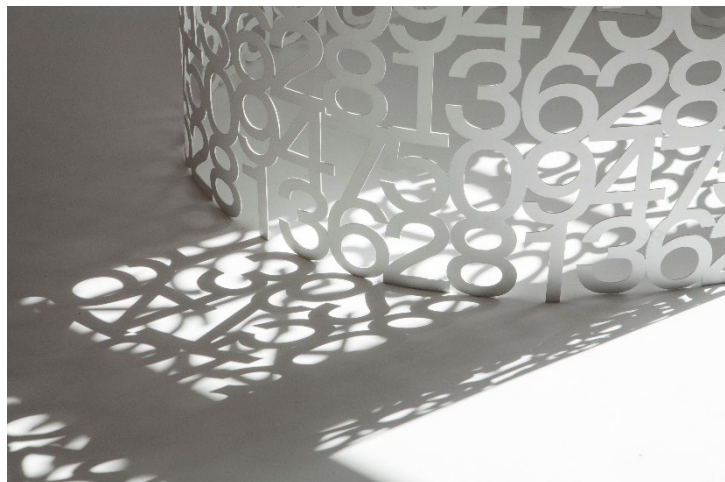

We nurture a fulfilling work environment where everyone feels seen and heard, where management is transparent, and where we are all proud and excited to work together. We base it on values of communication, mutual respect, fairness, honesty, shared goals, and a commitment to growth and development.

Our team currently consists of ten members. Our practice is growing, and we are eager to grow it further with new talents in the team.

#### WHO ARE YOU?

You have a Master Degree in Law which you obtained with superior academic grades.

You speak French and English, with a good command of Dutch.

You possess and demonstrate many, if not all, of the following attributes:

- You have strong legal and organizational skills.
- You strive for excellence and have a sharp legal mind. You like and enjoy both analytical thinking and practical challenges. You naturally go the extra mile.
- You have a creative and curious spirit, in legal matters but also as a permanent state of mind.
- You are confident yet humble. You give and take credit when it is due, and you take responsibility for misses. If you do not know something, you are not afraid to say so, and then you figure it out quickly.

### **WHAT'S IN IT FOR YOU?**

When you join LIME, you will:

- **Engage in diverse and challenging corporate and financial law matters (ranging from handling complex multi-faceted transactions to solving intellectually stimulating legal questions)**, demonstrating your talent while gaining increasing autonomy in managing these cases and working closely with clients
- **Acquire exceptional skills and knowledge** through top-tier, tailor-made training
- **Collaborate on multi-disciplinary matters**, working with internal and external colleagues and teams
- **Become part of a supportive team environment** and enjoy a great work atmosphere
- Benefit from a **balanced lifestyle** – and we truly mean it!
- **Earn a highly competitive compensation**
- **Join a clear career track** and have the opportunity to contribute to the growth and success of our firm, with the potential to follow a very clear track designed with flexibility in mind
- **In a nutshell, enjoy the perfect convergence of work, lifestyle, and benefits**

### **SO, ARE YOU READY TO MAKE LIME YOUR NEW PROFESSIONAL HOME?**

If so, please send your resume, a motivation letter as well as your academic transcripts of bachelor and master to [jobs@lime.law](mailto:jobs@lime.law).

Please kindly note that only applications that fit the job and applicant description above will be taken into consideration.
