Does being part of a major acquisition, international restructuring or worldwide integration sound exciting? Want to be involved in the whole process right from the start, providing clients with top-notch advice on tax and company law? Just as we help organisations meet their challenges head-on, we support you along your career path so you can grow in a valuable and sustainable way.

Join us on Wednesday, 26 October at 19:30 at a nice location for an interactive and informative session with our specialists. We'll share our experiences and demonstrate how you can use theory to deliver practical advice and add real value.

The presentation will be followed by food and drinks. During the evening, you'll meet people from our Tax & Legal front lines, from first-year consultants to experienced members of the firms, all looking forward to meeting you and answering your questions.

We look forward to welcoming you!
